---

## Relevant Skills

**Frontend:** Next.js, React.js, JavaScript, TypeScript, Tailwind CSS

**Design:** Figma, Canva

**Backend:** Node.js, Express.js

**Databases:** MongoDB, MySQL

**Soft Skills:** Problem-solving, Teamwork, Leadership, Communication

---

## Projects

### [Campus Social - College based Social-networking platform:](#)

Tech: React.js, TailwindCSS, Framer-motion, Firebase, and Authentication

- Built a secure, college-only social platform with Firebase authentication.
- Implemented role-based access for students and teachers to share news and events.
- Developed a club creation to support students communities and collaboration.
- Designed a responsive, user-friendly interface using tailwindcss and framer-motion.

### [Agri-smart - UI/UX design for smart agriculture platform:](#)

Tool: Figma

- Designed a user-centric UI/UX for a smart agriculture platform aimed at farmers.
  - Created wireframes, user-flows, and high-fidelity design focusing on usability and clarity.
  - Applied layout hierarchy, spacing and color consistency for better user experience.
- 

## Education

### Bachelor of Information and Technology

Texas College of Management & IT

| 2024 - Present |

- Developed skills in web development, network design, web design, and UI/UX.
  - Participated in professional classes, Dev Rumble(Hackathon), and UI/UX Design competition.
  - Collaborated in group projects, enhancing communication and teamwork abilities.
- 

## Certificates & Achievements

- 1st Runner-Up - UI/UX design competition (College level)
  - Dev Rumble(Hackathon) - Team-based web development projects (College level)
  - React Foundation - Vercel Certification
  - Next JS Routing Fundamentals - Vercel Certification
-
